Siying Guo

Supervisor:

Alejandro C. Frery

An Assignment submitted for Operational Statistics for SAR Imagery

October 13, 2020

1 About team members

	<p>Name: Jiang Heng Gender: Male Email: 1607911941@qq.com Major: Electronic Information Others: I mainly learn about electronics and communication engineering, such as hardware acceleration of algorithm based on FPGA.</p>		<p>Name: Yang Yang Gender: Male Email: 525983640@qq.com Major: Control Science and Engineering Hobby: Sports Others: My motto, "Whatever is worth doing is worth doing well."</p>
	<p>Name: Siying Guo Gender: Female Email: guosiyong98@163.com Major: Electronic Information. Others: I am interested in Intelligent Processing of Hyperspectral Remote sensing Images and Computer Vision.</p>		<p>Name: Wang Hao Gender: Male Email: wh3575580@163.com Major: Electronic Information. Hobby: Football Others: I admire Linus T., the father of Linux. I hope I can focus on solving current problems like him.</p>

2 About our team

Common goals and clear division of labor between teams are essential. On the one hand, our majors are different, and on the other hand, everyone has a certain aspect of knowledge. We will help each other and try our best to get things done.

As the course progresses, our homepage will be updated.
